RESPONSE TO OFFICIAL ACTION

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

March 2, 2006

Sir:

Responsive to the Official Action Dated January 11, 2006 applicant respectfully submits the following response.

The Examiner applied a restriction requirement under 35 U.S.C. 21, to a sub-group the Examiner had previously presented as the distinct inventions appearing in the application claims. The further restriction of the claim grouping presented in the Examiner's previous restriction requirement is highly irregular.

Applicant respectfully requests that the Examiner reconsider the restriction requirement. In the alternative, Applicant elects, as identified by the Examiner, newly identified Group I, Claims 15-19 for current prosecution.
